## ABOUT THE CITY - CHANGCHUN

Changchun is the capital and largest city of Jilin Province, located in the northeast of the China. Conveniently located to the airport, Changchun allows for easy access when wanting to take trips to South Korea, Japan, Taiwan, or mainland China. Changchun has four seasons, however, be prepared for some extreme weather too. The winters are very cold and summers can be rather warm, however it has low humidity which make both bearable. If you like snow, and warmth, this is the place. Autumn and spring are short but they are the beautiful times. People are very friendly and helpful once they get to know you. Australian people will find themselves adapting quickly to the local culture. Changchun is also known as China’s Automobile City, sometimes referred as the “Detroit of China.” It is also the home of the Chinese film industry, making it the Hollywood of China. Changchun is one of four “National Garden Cities” due to its high urban greening rate. Living and working in Changchun is very relaxing and enjoyable, if you want to learn about China and yet have some interaction with expats, this is the place!
